EBDG Receives Contract for On-Call Naval Architecture and Marine Engineering Services

SEATTLE, WA (September 25, 2017) – Elliott Bay Design Group (EBDG) has been awarded an on-call service contract for naval architecture and marine engineering services from Louisiana Department of Transportation and Development (LaDOTD). Under the scope of the contract, EBDG will provide support and consultant services for ferry vessel and barge modifications and repairs owned by or in the domain of LaDOTD.

"We are proud to work with Louisiana DOTD to provide ongoing naval architecture and marine engineering support for their fleet of vessels," Keith Keller, Vice President of Gulf Coast Operations for Elliott Bay Design Group. "We are committed to delivering the best service in the marine industry and our dedicated team brings skill, integrity, and professionalism to every project."

ABOUT ELLIOTT BAY DESIGN GROUP

Elliott Bay Design Group LLC (EBDG) is an employee-owned company with offices in Seattle, New Orleans and Ketchikan that provides naval architecture, marine engineering and production support services to owners, operators and shipyards across the country. With a focus on responsiveness, EBDG delivers designs that are better to build and better to operate.
