**Ekse Joins Elliott Bay Design Group**

*EBDG Brings in Experienced Marine Professional as Project Manager*

**SEATTLE, WA (April 10, 2018)** – Robert Ekse has joined Elliott Bay Design Group's team of naval architects and engineers as a Project Manager. He will be responsible for the initiation, management and execution of diverse projects and will be based in the Seattle, WA office.

Robert has 27 years of experience in increasingly responsible roles within the marine industry. He has worked for both operators and shipyards along the West Coast and has a hands-on approach to management. Robert brings strong leadership and extensive experience in complex, multi-variant six and seven figure program management. "We were very fortunate to secure Robert Ekse and look forward to his contribution to the evolution and growth of our company," states Brian King, Principal in Charge.

Robert shared, "I am excited to start this new chapter in my career with EBDG. The team here has a vast well of knowledge that will help our customers meet their operational goals."

**ABOUT ELLIOTT BAY DESIGN GROUP**

Elliott Bay Design Group LLC (EBDG) is an employee-owned company with offices in Seattle, New Orleans and Ketchikan that provides naval architecture, marine engineering and production support services to owners, operators and shipyards across the country. With a focus on responsiveness, EBDG delivers designs that are better to build and better to operate.
