EBDG Adds Marine Engineer to Ketchikan Office

SEATTLE, WA (September 19, 2018) – Elliott Bay Design Group (EBDG) has added a full-time marine engineer to their Ketchikan, Alaska office.

Sarah Nichols joins the team as a Marine Engineer and will provide onsite technical engineering support to some of the firm's major clients. Sarah's background includes six years of project engineer and project management experience within a shipyard environment.

ABOUT ELLIOTT BAY DESIGN GROUP

Elliott Bay Design Group LLC (EBDG) is an employee-owned company with offices in Seattle, New Orleans and Ketchikan that provides naval architecture, marine engineering and production support services to owners, operators and shipyards across the country. With a focus on responsiveness, EBDG delivers designs that are better to build and better to operate.
