

NOW HIRING!

IT Manager

It's an exciting time to be in the marine business and Elliott Bay Design Group (EBDG) is seeking a qualified IT Manager to join its team of professionals. The ideal candidate will have a degree in business or an IT related field. Position requirements include:

- Support of user Help Desk needs including application support and installing new computer software and equipment
- Develop IT objectives, including the creation of an IT strategic plan and disaster recovery plan
- Interface with all Department Managers
- Financial accountability and management of the IT budget
- Maintain client relationships with outside vendors
- Remain current on new and evolving IT developments by maintaining awareness of new hardware and software products and trends in IT

Preferred candidates will have a minimum of five (5) years' experience with a professional business. Work with the marine or naval architecture / engineering field is preferred. Experience/education in ITAR/NOFORN and FAR/DFAR is beneficial.

Work will primarily be in an office environment (5 days per week typically) with occasional travel for onsite trouble shooting or maintenance. The successful candidate will have excellent writing and oral communication skills and will be able to work both independently and with a team.

Due to our current contract requirements, you must be a US Citizen. No second party referrals or contact, please.

You will be working closely with a team of experienced naval architects, marine engineers and marine designers.

Along with competitive salary, EBDG offers a variety of benefits including medical, vision, 401(k), sick leave, holidays and vacation. We believe that investing in our employees is paramount, so we offer training and mentoring programs to support our staff's goals and objectives. As an employee-owned company, future ownership opportunities may be available.

EBDG's Seattle office is located in the dynamic Ballard neighborhood and comes with plenty of FREE parking.

Elliott Bay Design Group LLC provides equal employment opportunities to all employees and applicants for employment without regard to race, color, religion, sex, national origin, sexual orientation, gender identity, protected veterans, age, disability or genetics. In addition to federal law requirements, EBDG complies with applicable state and local laws governing nondiscrimination in employment.
